Equine Veterinary Education

Rely on Ovid as the trusted solution that transforms research into results

A journal of the British Equine Veterinary Association published in association with AAEP

This journal appears monthly and provides practical educational articles on diagnosis and treatment for equine veterinary clinicians. Articles are also of interest to veterinary students and others with an involvement in the equine veterinary world. This information is provided in Case Reports accompanied by Satellite Articles or Clinical Commentaries, which expand on the subject discussed in the report.

EVE also provides Tutorial Articles written by acknowledged experts in particular fields to give a comprehensive and up-to-date review of a clinically-relevant subject. All articles (apart from Clinical Commentaries) are peer reviewed.
